70TH ANNUAL FESTIVAL

OCTOBER 30 TO NOVEMBER 6, 1932

THE year 1932 marks the seventieth anniversary of the incorporation of Grace Church, Mount Airy. Most churches hold an annual festival on the anniversary of the Saint for which they are named, but inasmuch as our congregation took its name from a Christian Doctrine, we could not do that. Instead, we keep our birthday anniversary on the Sunday nearest All Saints' Day.

Seventy years of continued existence means a great deal. Your vestry recognizes this, and last spring decided to keep the commemoration in a fitting manner.

Please keep in mind the dates and the hours. We want you with us.

GRACE CHURCH

MOUNT AIRY
PHILADELPHIA

November 1, 1937

Dear Fellow Parishioner:

We were deeply gratified with the loyal response of our parishioners to the Every Member Campaign conducted last fall, which showed that all of us have awakened to our responsibilities.

Throughout the world, wherever Communism, Fascism, Nazism or other isms have raised their heads, the Church of God has been repudiated and the people have lost not only their religious but also their civil liberties. We feel that "It can't happen here" but I am sure that had you suggested this possibility to the lukewarm Christians of those countries some years ago, they would have been sure that it could not happen there; but it did.

Can we take the chance of it happening here? What is the surest safeguard against it? You will answer - a strong, vigorous Church and a loyal and devoted membership.

We in Grace Church are blessed with both of these essentials. We must not, however, rest on our oars, but pledge our personal and financial support in order that the work of the Church may go forward.

The money you contributed last year was budgeted as follows:

Salaries	\$6940.	Communion Alms	\$ 300.
Choir and Care of Organ	3150.	Church School	1100.
Operating Expenses	2550.	Repairs &	
Pension Fund	500.	Improvements	1000.
Diocesan Assessments	625.	Parish News	200.
Rector's Auto	300.	Missions	3000.
		Episcopal Hospital	260.

You will note that we allocated to "Missions", which includes the work done by the Church in Philadelphia, Pennsylvania, throughout the United States and the entire world, the sum of \$3000. In 1931 our contribution to Missions was \$9300. If the work of the Church at large is merely to hold its own, it is evident that we must shoulder a greater responsibility than we are now doing.

Those who have gone before have left us an endowment of a beautiful church, a parish house and a rectory. These we must maintain, repair and improve. In our budget

GRACE CHURCH

PHILADELPHIA

for next year, I hope to see an item of Reserve, to take care of replacements, which in the course of events are bound to be required.

Our Choir is a source of great pride, and justly so. This year's budget provided \$3150 for it and the care of the organ, while in 1931 we spent \$4300 for these purposes. Shall we remain as we are or go forward, and supply Mr. Robinson with the funds to make our Choir worthy of the time and the energy he spends upon it.

Beginning Sunday, November 7th, over fifty of our earnest people will call upon the members of the parish. The objects of these calls are three-fold: To promote and increase the feeling of true fellowship which exists in our parish to a remarkable degree; to take a census and furnish Dr. Eder with information that may be helpful to him in caring for the parish; and to gather in your contribution towards the Lord's work for the coming year.

May each and every one of us give earnest consideration to the amount he or she will contribute towards the maintenance of our parish and the work of the Church at large, and make our contribution commensurate with the amounts we are spending for less essential objects.

Let your contribution for 1938 be truly sacrificial.

Faithfully yours,

Albert C Brand

Accounting Warden

THE ALL-PARISH BAZAAR of GRACE EPISCOPAL CHURCH

10:30 A.M. TO 6:30 P.M., SATURDAY, DECEMBER 6, 1958

DEAR PARISHONER:

We think it is the purpose of Grace Episcopal, as it is of all churches, to guide its congregation in an orderly Christian life: and indeed our spiritual needs are well provided for in the annual progression of the Church Year through the great, traditional feasts and holy days. Perhaps that is why we sometimes forget that our more informal celebrations—our Auxiliary, Men's Club, Y.P.F. meetings, our picnics and bazaars—are also occasions for participation in the Christian community. But that is their underlying purpose. Christianity, if it is to be more than an expression, must be lived: that includes coming together, all within the parish, in our festivals and games and projects.

The Christmas Bazaar is itself an excellent example of this philosophy: it is intended to delight the children, bring old friends together, remind us of our Faith, and show to all that our church is truly the place where no one is among strangers—and it is appropriate that the proceeds of this gathering have always gone to that larger Christian community, Protestant Episcopal Missions.

In a deeper sense, then, the true success of the Bazaar is our participation in it. May we look forward to seeing you?

Sincerely,

YOUR BAZAAR COMMITTEE
